

# GLASS AUTO GLIDERS

Manufacturing Relationships  
Distributing Quality

**GLIDER**  
*by* CMECH

German Design Concept

**INTELLIGENT**

# PURE JOY OF HOME LIFE

Precision manufactured guide rails combined with the latest motor design maintain operating noises to a minimum.

# SMART KITCHEN

Touch, Sense, Feel. By touching the sensor panel with your finger the glass door elegantly raises and lowers showcasing the beauty of technology and fashion.

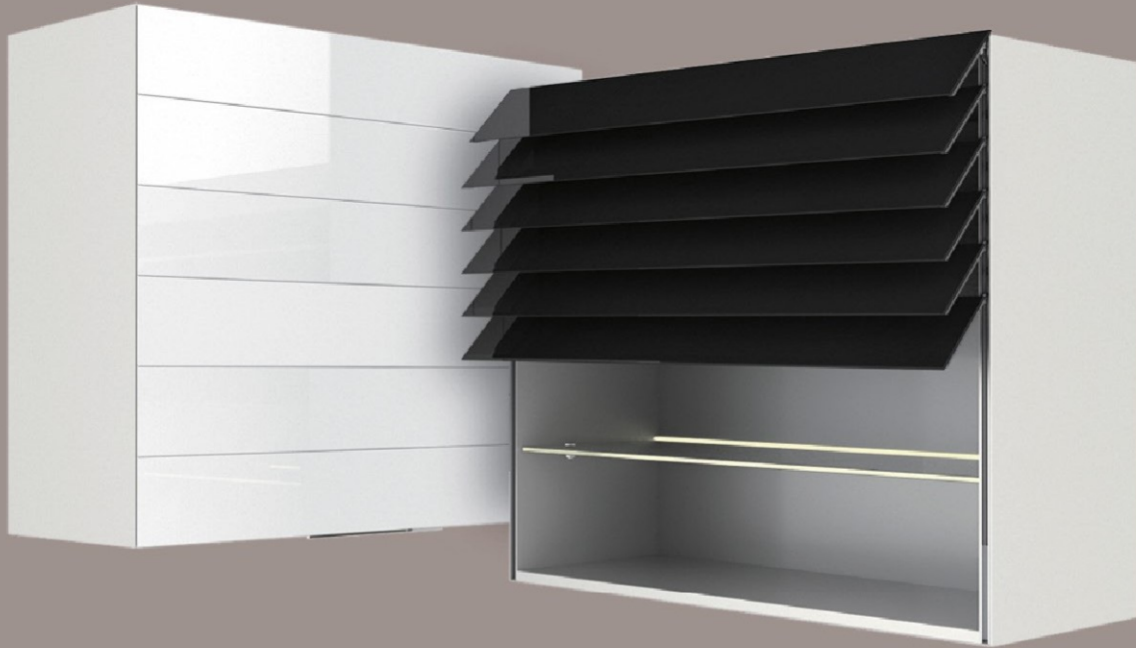

# VERSATILE & ROMANTIC

Perfect for many areas in your home such as your kitchen, living room, dining room or bathroom and can be matched to different colors depending on the decor.
